

Get PSDT reminders and news directly to your phone!

Plainview Swim and Dive Team will be using FastFollow texting service this season to communicate updates to our parents. This system will be replacing our former weatherline phone service.

It's simple: just send a text to short code 40404 for whichever texts you'd like to receive.

- ✓ *Text "Follow PlainviewSwim" to 40404 to receive all Swim Team-related texts.*
- ✓ *Text "Follow PlainviewDive" to 40404 to receive all Dive Team-related texts.*

Notes:

- 'PlainviewSwim' and 'PlainviewDive' have no spaces in between the letters.
- You must send two separate texts (one re PlainviewSwim and one re PlainviewDive) in order to be signed up for both teams' texts.

-
- This service is provided free of charge to PSDT and to you through Twitter. (Standard text messaging rules/rates as outlined by your phone contract apply.)
 - Opting in from your cell phone to 40404 does **not** create a Twitter account for you; it simply allows all PlainviewSwim and/or PlainviewDive messages to be sent automatically to your phone.
 - If you have a Twitter account, you can follow us on the web, too. Look for us under @PlainviewSwim and/or @PlainviewDive.
