

How - To:

Read a Heat Sheet

Plainview will publish the heat sheet AFTER 9:00 PM on Sunday before the meet. If there are technical or logistic issues it may not be ready until Monday. ALWAYS check before you leave for the pool for any updates.

Checking the correct Sheet

Make sure you have the correct sheet for the meet. At the top will be the meet Away vs. Home and the date of the meet. Also pay attention to the report run date and time in the right hand corner. That date and time should match what is posted on the website. This way you know you have the most current version.
